

[illegible]

Technical drawing of a building facade section. The drawing shows a wall with a window and a door. The wall is labeled "PVC 315" and "7000 mm 800". The window is labeled "ê.p. 862" and the door is labeled "ê.p. 861". A circular detail is shown at the bottom right.

A diagram of a vertical shaft. A pink curve starts at the bottom left and rises towards the right, intersecting a vertical dashed line. The dashed line has several small black dots and arrows pointing upwards. The shaft is bounded by a vertical line on the right and a horizontal line at the top.

A diagram of a vertical shaft with a pink curve representing a fluid level or interface. The curve starts at the bottom left and rises towards the top right, following the right wall of the shaft. There are several small black dots and arrows along the shaft, possibly representing particles or flow direction.
